

Minet Conservation Association

Incorporating Friends of Myatt's Fields Park

Subscriptions should be returned to MCA, 28 Flodden Road, London SE5 9LH

Dear Neighbour

Created in 1979, the Minet Conservation Association was set up to nurture the sense of community in the area. Initially, the focus was Myatt's Fields Park – a wonderful asset that provides a setting for many activities in the area, be they sporting, military, educational or simply recreational. In the intervening years, the MCA has grown and developed to encompass many more activities.

Now, as the MCA enters its next quarter century, the Park and its use remain central to our work. We are also building much closer working relationships with a number of local organisations and institutions, as well as local government, to ensure that together we continue to make Myatt's Fields a good place to grow up, live and work. To do this, however, we rely on the support and participation of local residents and members.

Each quarter, we produce an informative and engaging newsletter, which tells members about the work the Association is doing. It also contains a diary giving dates of forthcoming events that may be of interest to MCA members.

In order to help us make our records come of age too, please could we ask you to check our record of your membership shown below and if possible use a standing order for your annual subscription to the MCA. This will help us keep our records up to date and make it easier for us to ensure you are kept up to date on MCA work/ activities. It will also keep our administrative costs as low as possible. A standing order form is attached. Please could you complete it and return it to the membership secretary at the address indicated.

On behalf of the Executive Committee, my thanks for your support over the years and we hope you will continue to help the MCA in its work.

Chair, MCA
